ORAL JUDGMENT
Date: 22-08-2016

The issue raised by the petitioner was also considered in similar kind of dispute raised earlier being CWJC No.7701 of 2015 and a Division Bench decision of this Court reported in 2015(2)PLJR 916.

The Court therefore is not willing to waste judicial time and energy on trying to decide the matter merely because the post in question happens to be of a medical officer instead of a Dentist.

The issue in the above noted cases also covers the case and grievance of the petitioner.

It is further recorded that only after the petitioner has taken her chance by participating in the recruitment process who was called for interview and has missed out on the merit position by a couple of marks that she has decided now to turn out and attack the rule which restricts grant of weightage to the people having experience in State Government Hospitals of Bihar.

Writ application, therefore, has no merit and is dismissed.
