CORAM: HONOURABLE MR. JUSTICE GOPAL PRASAD
ORAL ORDER

3 04-05-2016 Heard learned counsel for the petitioner and learned
counsel for the opposite party.

This is an application for modification of order dated
15.04.2015 passed in Cr.Misc. No. 33679 of 2012, on the ground
that there is apprehension if the victim-wife will go and live in the
matrimonial home then his father-in-law has instigated his wife to
file a criminal case against the family members of the petitioner.

Learned counsel for the opposite party however contends
that the victim-wife has blessed with a son aged about nine years
old.

However, the modification application has been filed with
mere suspicion. Hence, I do not find any merit in this application.

As a result, the modification application is dismissed.
