**CORAM: HONOURABLE MR. JUSTICE KISHORE KUMAR**  
**MANDAL**  
**ORAL ORDER**

2      06-09-2016                      Where the school building shall be constructed is the  
  
issue raised in this writ application.

According to the petitioner, the school building in  
question ought to have been constructed on the government land,  
but the same is being constructed on the land donated by the  
intervenor-respondent. Such issue, I am afraid, can be considered  
by the Writ Court in exercise of its extraordinary and

discretionary writ jurisdiction. Indisputably, no personal injury is caused to the writ petitioner. The Court in these factual background declines any interference. The petitioner would be at liberty to ventilate his grievance before the appropriate authority/forum in accordance with law.

The writ application as well as the interlocutory application stand disposed of.
