CORAM: HONOURABLE DR. JUSTICE RAVI RANJAN
ORAL ORDER

3 18-03-2016 Heard learned counsel for the petitioner and the State.

The records of Encroachment Case No. 2 of 2011-12

has been produced. After going through the records it appears to
me that callous and negligent approach has been adopted by the
Anchala Adhikari in the concerned matter. A matter which was
initiated on 2.9.2011 could not be brought to its logical conclusion
till date and the ordersheet shows that for this reason or that
reason the matter was being deferred and despite issuance of
notice under Section 3 of the Bihar Public Land Encroachment

Act, 1956 nothing has been done till date. However, the Circle Officer, who is present in person, has submitted that he would bring the matter to its logical conclusion within three months after granting reasonable opportunity to all the concerned including the encroachers.

In above view of the matter, this writ application is being disposed of with, without going in to the merit of the case, with a direction to the Circle Officer, Vidyapati Nagar to bring the matter to its logical conclusion within a period of three months. However, he should be very cautious in future in dealing with such issues.

The personal appearance of Circle Officer, Vidyapati Nagar is dispensed with.
