ORAL ORDER

3 29-07-2016 The petitioners being parents of the son-in-law of the informant are apprehending their arrest in a case registered for the offences punishable under Sections 498A, 304B/34 of the Indian Penal Code.

The basic accusation is of killing the daughter of the informant within two years of marriage for non-fulfilment of dowry demand. It is alleged that son of the victim saw his father being husband of the victim assaulting the daughter of the informant and on the same day the informant received information that the victim has died.

It is submitted by learned counsel for the petitioner that accusation is omnibus and general against the entire in-laws family. The petitioners are 70 years of age and they claim to be separate from the husband of the victim. It is further submitted that all the witnesses including the family

members of the informant have alleged specific accusation against the husband who used to assault the victim.

Learned A.P.P after going through the case diary submits that the victim died due to burn injury within two years of the marriage.

Considering the specific accusation against the husband of the victim, let learned Court below consider the prayer for regular bail of the petitioners, if the petitioners surrender within a period of six weeks in connection with Kahalgaon (Budhuchak) P.S. Case No. 2 of 2016, pending in the Court of learned Additional Chief Judicial Magistrate, Bhagalpur.

With the observations above, the application stands disposed of.
