CORAM: HONOURABLE DR. JUSTICE RAVI RANJAN

ORAL JUDGMENT

Date: 01-09-2016

Heard.

It appears that, apart from this writ application, the petitioner was pursuing another remedy by filing an appeal and when the appeal was dismissed now, Interlocutory Application has been filed challenging the appellate order.

Learned counsel for the petitioner has not been able to show that the factum of filing of appeal has been disclosed by the petitioner in the writ application.

In such view of the matter, when the petitioner was pursuing two remedies at the same time and the appellate authority has already

passed order, this Court cannot entertain this writ application.

Accordingly, the writ application is dismissed. However, the petitioner would be at liberty to assail the appellate order before a competent forum.
