CORAM: HONOURABLE DR. JUSTICE RAVI RANJAN

ORAL JUDGMENT

Date: 30-11-2016

Heard learned counsel for the petitioner and the State.

It is contended by the learned counsel for the petitioner that Encroachment Case No. 03/2013-14 was initiated by which the part of encroachment upon public road was removed but the Debris is still lying there which is apparent from Annexure 5. Thereafter, the encroachers including the private respondent No. 5 have again started encroaching the public road.

In view of such, this writ application is disposed of with direction to the District Magistrate, Aurangabad to examine this matter and if any encroachment is found upon concerned public road then it should be removed in accordance with law after granting

reasonable opportunity to all the concerned, including the private respondent within a period of three months from the date of receipt/production of a copy of this order and no debris should be allowed to be kept on or beside the public road after removal of encroachment.
