ORAL JUDGMENT

Date: 13-07-2016

The unqualified apology is accepted on behalf of the contemnors only on the ground that they give a categorical assurance and undertaking to the Court that in future all judicial orders will be carried out in letter and spirit including the time frame which may be indicated therein. There are some explanations offered which are not required to be gone into in detail but the Vice-Chancellor and the Registrar including all the functionaries of the University should not give an impression that they are not amenable to law and the

directives of Courts.

Contempt application stands disposed of.

Personal presence of opposite parties is also dispensed with.

If the petitioner finds any congruity in the calculation of payment so made which are bona fide and legal, he has freedom to bring it to the notice of the Registrar of the University who has the duty to verify the authenticity of such grievance.
