CORAM: HONOURABLE MR. JUSTICE KISHORE KUMAR MANDAL
ORAL ORDER

2 04-05-2016 Heard the Counsel for the petitioner, the informant as well
the APP for the State.

The husband of the deceased is facing accusations punishable under Section 304B and 120B of the Indian Penal Code vide Runni Saidpur P.S. Case No. 541 of 2015.

The father lodged the case alleging that marriage of the victim was solemnized with the petitioner in the year 2009. After the second marriage when the victim came to the Sasural, demand of money was made to enable the husband to do business. On non-fulfilment, torture was meted out to her. Indisputably, the victim died in mysterious circumstances at the matrimonial home within 07 years of marriage.

Contention of the petitioner is that even in the F.I.R., it is stated that the husband was not at the home when the occurrence

has taken place. The victim was a short tempered lady and committed suicide.

Counsel for the informant as well as the State opposes the prayer and submitted that in course of investigation, several witnesses have supported the prosecution case of meeting out torture to the victim.

Considering the seriousness of the allegation and the facts emanating from the record including the impugned order, I do not find it a fit case for grant of anticipatory bail.

Prayer is, accordingly, rejected.

(Kishore Kumar Mandal, J)
