**CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI**  
**SHARAN SINGH**  
**ORAL ORDER**

2      13-07-2016      This application has been filed seeking  
  
cancellation of bail granted to opposite parties no. 2 to 5 by virtue  
  
of an order dated 08.04.2016 passed in Cr. Misc. no. 7950/2016.

The sole ground for cancellation of bail as taken  
  
in this application is that though the injuries on the informant side  
  
were grievous in nature, on the basis of wrong submission that the  
  
injury was simple, the opposite parties obtained the order of  
  
anticipatory bail in their favour.

There is no allegation in the application that the  
  
opposite parties, after having been released on bail, ever misused

the privilege of bail. In the application seeking anticipatory bail, the injury report was not brought on record. If in the order granting anticipatory bail, nature of injury has been mentioned to be simple in nature in place of grievous one, the privilege of anticipatory bail granting to the petitioner need not be taken back.

Considering the above, I do not find any merit in the application. This application is accordingly rejected.
