CORAM: HONOURABLE MR. JUSTICE RAKESH KUMAR
ORAL ORDER

5 15-12-2016 Heard Sri Mritunjay Prasad Singh , learned counsel for
the petitioner and learned Additional Public Prosecutor.

The sole petitioner, father- in- law of the deceased has
prayed for grant of bail in Katoriya (Jaipur) P.S. Case No. 54 of
2016 registered for the offence under Section 498A, 302/ 34 of the
Indian Penal Code.

It was submitted by learned counsel for the petitioner
that that petitioner was only biological father of the husband of
the deceased whereas the husband was adopted by one Matuki
Yadav and as such , there was no question of involvement of the
petitioner whereas , in this case , earlier case diary was called
for. After examining the case diary learned Additional Public
Prosecutor submits that there is sufficient material against the

petitioner also.

Besides hearing I have perused the materials available on record.

I do not find any ground to grant privilege of bail for the present.

The petition stands dismissed.
