CORAM: HONOURABLE MR. JUSTICE RAMESH KUMAR DATTA
ORAL ORDER

2 22-10-2016 Heard learned counsel for the petitioner and learned
counsels for the State and for the Accountant General, Bihar.

The petitioner seeks payment of the death-cum-retiral
dues of her late husband, Kamal Deo Singh, who died in harness
on 30.7.1990 as Sub Inspector of Police.

According to the counter affidavit filed on behalf of the
Department, all the death-cum-retiral dues of the deceased
employee have already been paid to the petitioner.

Learned counsel for the petitioner raises a grievance that
although the Pension Payment Order was issued but the same does
not give the benefit of pay revision as per the Government
Circulars from 1996.

No details are to be found in the writ petition as to what
is the amount received by the petitioner and how the said amount
is not in accord with the different Resolutions and Circulars in that

regard with respect to pay revision, etc. The PPO having been issued the revision of pay as per the acceptance of recommendations of the Pay Revision Commission by the State Government is automatic.

The writ application is, accordingly, dismissed.

However, the petitioner on the basis of the facts, figures and calculations may approach the respondent authorities for any rectification in the PPO and the authorities may look into the said matter considering the fact that she is an old widow.
