CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR

ORAL ORDER

3 28-10-2016 Heard both sides.

The petitioners, namely, Anoj Rai and Neelam Devi apprehend their arrest in Korha P.S. Case No. 140 of 2016 under Sections 304(B)/34 of the Indian Penal Code.

The informant alleged that his daughter had solemnized love marriage with Sonu Kumar Rai, son of the petitioners, about six months ago, but after marriage, his daughter informed him that Sonu Kumar Rai subjected her to different sorts of torture due to non fulfillment of demand of dowry. The informant got information on 31.05.2016 that his daughter was burnt to death. The informant alleged that the petitioners and their son burnt his daughter to death.

Learned counsel for the petitioners submits that the petitioners are father-in-law and mother-in-law of the deceased. No specific allegation is made against the petitioners about the demand of dowry and torture. The independent witnesses in Paras 38, 39 and 40 of the case diary stated that the deceased had gone to her **Nahir** and she was humiliated by her parents because she had solemnized love marriage but it appears that the deceased died within six months of her marriage at her **Sasural** and the informant and other witnesses have stated that the petitioners and their son burnt the deceased to death due to non fulfillment of demand of dowry.

Considering the facts aforesaid, I am not inclined to enlarge the abovenamed petitioners on bail and, accordingly, the same is rejected.
