ORAL ORDER

3 08-04-2016 Heard learned counsel for the petitioners and learned APP
for the Sate.

The petitioners seek bail in connection with Sahodara
P.S. Case No. 81 of 2015 registered for the offence punishable
under Sections 302/34 of the Indian Penal Code.

Allegedly, the petitioners were quarreling with
Ramchandra Panjiyar, the husband of the informant, and further
both assaulted him, resulting the husband of the informant was
going to Police Station but in the way the petitioners again
surrounded him, started assaulting him and further after wrapping
scarp in his neck started pulling him, resulting, he became
unconscious and when Police came the informant was brought for
treatment by the Police where he was declared dead.

Submission is of false implication and that there was no

intention to commit murder, no weapon was used in committing the murder, the petitioner no. 1 is lady and petitioner no. 2 is her son and as such they deserve sympathetic consideration to which learned APP seriously opposes by submitting that the doctor has also found the cause of death to be asphyxia and injuries were also found on the person of the deceased.

In the facts and circumstances stated above, considering the allegation attributed against the petitioners serious in nature, at this stage, this Court is not inclined to enlarge the petitioners on bail, accordingly, such prayer stands rejected.
