CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY

ORAL JUDGMENT

Date: 18-10-2016

Heard learned counsel for the petitioner, State and the
Central Selection Board of Constable.

Petitioner passed the written examination, she was put to
physical examination and it was found that she is short in height by
.4 cm.

As per the required height, every candidate must possess
155 cm. height whereas petitioner's height was found 154.6 cm. The
petitioner was not satisfied, she was again put on physical
verification, on appeal height of the petitioner was measured as

154.7 cm. Again the petitioner was not satisfied, she approached this Court in the present proceeding and this Court, vide order dated 5th September 2016, directed for re-measurement of the height of petitioner in between the period from 8 AM to 11 AM.

In pursuance thereof, the petitioner was again put to examination of her height and it was found, her height is 154.6 cm. Still the petitioner is not feeling satisfied, this Court cannot help her, as whatever the human error was possible that has been removed, as her height was measured thrice. If there is a deficit in the height, the candidate cannot be selected and this Court cannot give direction to grant any concession to a candidate who is below in the requisite height.

In such view of the matter, this Court does not find any merit in the present case. Accordingly this petition is dismissed.
