CORAM: HONOURABLE MR. JUSTICE DINESH KUMAR SINGH
ORAL ORDER

2 12-04-2016

Heard learned counsels for the petitioner and the State.

The petitioner being the mother of the husband of the victim has renewed prayer for anticipatory bail in a case registered for the offences punishable under Sections 304B and 120B of the Indian Penal Code.

The accusation is of killing the daughter of the informant after two years of the marriage.

It is submitted by learned counsel for the petitioner that the victim died on 23.12.2004 when the complaint was filed on 29.07.2005 which came to be registered as a police case on 09.10.2005. The police after investigation, submitted final form but differing with the final form, cognizance has been taken. It is further submitted that the informant has retracted from his initial version.

Considering the fact that petitioner's earlier anticipatory bail application was rejected, this Court is not inclined to entertain the present application, however, considering the fact that the accusation is not specific against the petitioner and after investigation, the petitioner has not been sent up for trial, it is a case for consideration of regular bail.

The aforesaid facts constitute good ground for consideration of prayer for regular bail.

Let the learned court below consider the prayer for regular bail of the petitioner if she surrenders within a period of six weeks in connection with Sonapur P.S. Case No. 184 of 2005 pending in the court of learned CJM, Saran at Chapra.

Accordingly, the application is disposed of.
