CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 21-12-2016

Payments have been made to the petitioner is a fact accepted by the counsel for the petitioner. However, he has certain reservation and would like to verify whether the payment has been done on the right calculation and the right amount as such.

Since it is a question of accounting, the Court gives liberty to the petitioner to sit with the competent authority and understand the accounts and they will also have an obligation to provide a chart of the calculation to him. If any discrepancy is found, remedial steps will be taken or else the matter will be allowed to rest.

Writ stands disposed of with the liberty as above.

(Ajay Kumar Tripathi, J)
