CORAM: HONOURABLE MR. JUSTICE RAKESH KUMAR
ORAL ORDER

2. 24-02-2016 Heard Sri Pramod Kumar Singh, learned counsel for petitioners and Sri Anand Kumar Ojha, learned counsel, who appears on behalf of respondent/North Bihar Power Co. Ltd.

In the present writ petition, a prayer has been made for restraining the respondents to install transformer with high voltage wire near the Chakia Bazar.

It was submitted by learned counsel for petitioners that installation of such transformer at such locality would create

possibility of accident and as such, direction can be issued to respondents not to install such transformer.

It is not a case that over the land of petitioner(s), respondents are proposing to install transformer. Normally, installation of transformer is for the interest of the public.

Keeping in view the fact that no specific right of the petitioners is going to be infringed, it would be difficult for this Court to entertain the writ petition.

The writ petition stands dismissed.
