The accusation is that on 21.08.2016, in the morning, when the informant was going to attend the call of nature towards the filed, these petitioners and their other family members, named in the F.I.R., surrounded him. At that time, the petitioner no.1

caused injury to the informant through lathi at his right hand whereas the petitioner no.2 caused injury to him through lathi at his left leg. The other accused also caused injury to the informant. Thereafter, the informant was rushed to the hospital for treatment from where he was referred to D.M.C.H., where the statement of the informant was recorded by the police.

Having considered the facts and the circumstances of the case and the nature of allegation, I am not inclined to grant anticipatory bail to the petitioners. Accordingly, the prayer of the petitioners for grant of anticipatory bail stands rejected. However, the petitioner are directed to surrender before the trial court within four weeks from today and pray for regular bail, which shall be considered by the trial court in accordance with law without being prejudiced by the order of this Court.
