CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 10-03-2016

Petitioner is trying to play fraud with Court as well after having played with the system. The Court has reasons to say so. There are enough telltale sign available on record to show that the petitioner had taken admission and opted for Physics, Chemistry Mathematics as combination of papers. However, now she filed a writ application seeking a direction upon the respondents Bihar School Examination Board to declare result by including practical marks for Biology. The college as well as the Bihar School Examination Board has in emphatic term with supporting materials indicated that the petitioner never participated in Biology practical because that was not the paper she opted for or was given permission for. Why

such claim is being made is best understood by the petitioner obviously on that basis she was admitted in some college in Pune.

Writ application is dismissed being devoid of merit.
