CORAM: HONOURABLE JUSTICE SMT. ANJANA MISHRA
ORAL ORDER

5 18-07-2016 Heard learned counsel for the petitioner and learned
Additional Public Prosecutor for the State.

The petitioner apprehends his arrest in connection with
Baisi P.S. Case No. 138 of 2015 registered for the offences
punishable under Sections 304-B/34 of the Indian Penal Code.

Learned counsel for the petitioner submits that as per the
allegations there was a demand of dowry by the present petitioner.
It is further submitted that though it is clearly stated in the First
Information Report itself that there was no evidence of any
external injury from the body yet the informant's daughter had
been subjected to cruelty inasmuch as she was being periodically
beaten up and that the villagers had reported that she had not been
given food for the past two days.

Diary alongwith Forensic Science Laboratory report in this

case was called for earlier which have since been received.

After perusing the Forensic Science Laboratory report, it appears that Aluminium Phosphide which is commercially known as ‘Celphos’, a highly poisonous substance, was present in the contents of the glass jar which was sent for examination.

Considering the aforementioned facts and circumstances, I am not inclined to grant anticipatory bail to this petitioner. It is, accordingly, rejected.
