CORAM: HONOURABLE MR. JUSTICE JYOTI SARAN
ORAL ORDER

2 03-08-2016 Heard Mr. Sharda Nand Mishra, learned counsel for

the petitioner and Mr. Dhurjati Kumar Prasad, learned G.P.14 for

the State.

Although, the petitioner complaints of non-
compliance of the order passed by this Court in C.W.J.C. No.1928
of 2014 whereby on an application filed by the petitioner under
Section 3 of the Bihar Public Land Encroachment Act (hereinafter
referred to as 'the Act'), the respondents were directed to proceed
with the complaint for its disposal but the application so directed

to be filed by the petitioner under Section 3 of the Act has been translated in a representation which by itself is not in tune with the directions of this Court. This Court has clearly directed for filing of an application under Section 3 of the Act i.e. by giving the name of the encroachers along with the details of encroachment but the petitioner taking a short route has filed a representation, which is not in compliance with the order of this Court. No cause of indulgence at this stage is made out. The petitioner first should comply with the court's direction.

Accordingly, this application stands disposed of.
