CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY

ORAL JUDGMENT

Date: 08-11-2016

Heard learned counsel for the petitioner and learned
counsel for the State.

In this case, the father of the petitioner was working in
the Agriculture Department in the State of Bihar, who died in
harness in the year 1989. At that time, the age of the petitioner was 4
years.

After 16 years, when the petitioner attained the
majority he filed an application for compassionate appointment.
Such an application cannot be considered as he has not attained the
majority within the reasonable period. After 16 years the question of

any compassionate appointment does not arise as the family of the deceased-employee has already settled.

In such view of the matter, this Court does not find any merit in this writ application. Accordingly, this writ application is dismissed.
