ORAL JUDGMENT

Date: 30-01-2016

Counter affidavit of the State served way back in February 2015 along with the supporting documents and evidence belies the assertion being made by the counsel for the State that retiral benefits and other benefits have not been settled by the respondents. In fact, the writ application has been filed without proper instruction and verifying the actual state of affairs.

Writ is disposed of in view of the position so emerging now with regard to payments.
