ORAL JUDGMENT

Date: 04-08-2016

Heard learned Counsel for the parties concerned.

This application has been filed for quashing of the
First Information Report of Jokihat Police Station Case No. 326
of 2015, disclosing offences under Sections, 467, 468, 471,
420, 409 read with Section 34 of the Indian Penal Code.

Learned Counsel for the petitioner has submitted
that even if the allegations, as contained in the First
Information Report, are taken to be true, no cognizable offence
can be said to be made out against the petitioner.

However, it appears that the petitioner had
approached this Court for grant of anticipatory bail, which came
to be rejected by an order, dated 11.04.2016, considering,

inter alia, nature of allegation made in the First Information Report.

Since, while considering his application for anticipatory bail, a Bench of this Court found that the allegations contained in the First Information Report were such that the petitioner could not be granted privilege of anticipatory bail, in my opinion, this Court would not be justified to entertain the submission that no offence is made out on the basis of the allegations made in the First Information Report.

This application is accordingly dismissed.
