CORAM: HONOURABLE MR. JUSTICE KISHORE KUMAR
MANDAL
ORAL ORDER

2 06-09-2016 Heard the learned counsel for the petitioners and the

State.

Petitioners apprehend their arrest in connection with

Majhauliya P.S. case no. 16 of 2016 registered under Sections

304(B)/34 of the IPC.

The petitioners herein are father-in-law and mother-
in-law respectively of the deceased. Only recently the husband of
the deceased had brought the deceased to matrimonial home after
'gouna'. Right from the day she entered the matrimonial home, it
is alleged, she was tortured by the family members on account of
non fulfillment of the demand of dowry which includes the
motorcycle. It is alleged that the victim was done to death in the

matrimonial home inasmuch as the body was disposed of.

Learned counsel for the petitioners submits that only on mere suspicion, the allegation has been levelled. The parents are living separately. No source of information with regard to the killing of the deceased has been disclosed. The witnesses have not supported fully the prosecution case.

From the impugned order, it appears that in course of investigation, the witnesses have supported the prosecution case that the victim was being subjected to torture before her death.

Looking to the seriousness of the allegations and the other facts appearing from the record, including the impugned order, I do not find it a fit case for grant of anticipatory bail.

Rejected.
