ORAL ORDER

3 07-12-2016 Heard both sides.

The petitioners apprehend their arrest in Parwalpur
P.S. case No. 160 of 2015 under Section 306 and other Sections
of the Indian Penal Code.

The informant alleged that his daughter was married
to Arun Nat and she got two sons and one daughter. The
petitioners used to assault his daughter on account of dispute with
regard to a piece of land. It is alleged that on 07.10.2015 the
petitioners assaulted his daughter and on account of which she was
driven to commit suicide.

The learned counsel for the petitioner submits that
there is no sign of assault on the dead body of deceased in the

inquest report. The doctor did not find any external injury and deceased died due to consumption of poison but it appears that during the course of investigation the informant and other witnesses have stated that there was dispute with regard to a piece of land and petitioners, being sister-in-law and brother-in-law of the deceased, used to assault her and that is why she was driven to commit suicide by consuming poison.

Considering the facts aforesaid and the nature of allegation made against the petitioners, I am not inclined to enlarge the petitioners on anticipatory bail. Accordingly, the same is rejected.
