**CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY**

**ORAL JUDGMENT**

**Date: 28-06-2016**

Heard learned counsel for the petitioner and learned counsel for the Union of India.

The petitioner against the advertisement dated 26.3.2011 in Dainik Jagran newspaper had applied for the post of constable in CISF. As he had requisite educational qualification and passed written examination, called for skill test at Bokaro. There petitioner appeared in the skill test but could not qualify on that account his candidature was rejected.

Learned counsel for the petitioner has challenged the

action of the Government on the ground that he has wrongly been shown disqualified in the skill test as the Staff Selection Commission has given two roll numbers at two different places as in the letter dated 9.10.2012 (Annexure-11) his roll number has been shown to be 1145107399 whereas in Annexure-2 his roll number has been shown as 1142107399 and the person who has been declared disqualified on the ground of skill test is not the person having role no. 1142107399 and as such petitioner has wrongly been shown disqualified in the skill test.

Case was taken up on 13.5.206; this Court after perusal of the record has found discrepancy in the roll number and asked counsel for the Union of India to verify the correct roll number of the petitioner.

A supplementary counter affidavit has been filed by the Union of India where in paragraph no. 3 roll no. of petitioner has been shown as 1142107399 and there is no dispute that the person having aforesaid roll numbers could not qualify in the skill test. In case of failure of the petitioner in crossing level of skill test this Court cannot give direction for the appointment of the petitioner. Mere typographical error cannot be a basis to create the vested right or any right in favour of the petitioner Human being always falls in error. The person who, cannot

qualify will not be treated to have qualified.

This Court does not find any merit in this writ petition. It is accordingly dismissed.
