and the State.

The petitioner is apprehending arrest in a case registered for the offences punishable under sections 323,341,504,506,307,325,337 and 379/34 of the Indian Penal Code.

The prosecution case is that all the accused persons assaulted the informant, thereafter the petitioner assaulted Md. Hamid and Md. Abid.

It is submitted by the learned counsel for the petitioner that the informant received five injuries out of which four are simple in nature and one injury is diffused swelling on right forearm. The accusation is omnibus and general. It is further
