Heard learned counsel for the petitioner and learned counsel
for the State.

In this case, the petitioner has raised a limited grievance that
he has wrongly been declared medically unfit on the ground of impairment
in his eyes. As per the petitioner, vision of his both eyes are 6/6, but the
Review Medical Board has found Right side 6/9 and 6 by 12 in left side.

The petitioner had applied for his selection on the post of
Constable in C.R.P.F. He was finally selected. When he was put to medical
examination, he was found medically unfit for three medical deficiencies.
Thereafter, he filed the review application, Medical Review Committee

deficiency in the eyes of the petitioner, it was reported that the vision in right eye is 6 by 9 and 6 by 12 in left eye, whereas it ought to be 6 by 6.

The counsel for the petitioner submits that the eyes of the petitioner were examined by Eye Specialist of P.M.C.H. as well as Eye Specialist of Sadar Hospital, Nawada and found no deficiency in his eyes. Both the doctors have reported vision 6 by 6 in his both eyes and he has wrongly been deprived of selection on the medical ground.

New Delhi, who is directed to constitute a team of Doctor for the purpose of medical examination of the petitioner especially for examination of the eyes of the petitioner.
