---- Respondents

Hon'ble Shri Manindra Mohan Shrivastava, J.**Order on Board****23/08/2016**

Heard on admission.

1. The transfer order is under challenge on the ground that the petitioner has been transferred within a short period without there being any complaint. The other ground is that if the petitioner is shifted, there may be reduction in the strength of teacher, which may adversely affect teaching.
2. According to the transfer policy, which is not under challenge, transfer has become due after one year of posting. Therefore, there is no violation on this aspect, because the petitioner has completed more than one year at the present place of posting and the transfer of the petitioner has been done within same district about 70 Kms only. It is not the case of the petitioner that after his

transfer, school will be left with no other teacher. Therefore, I am not inclined to interfere with the transfer order.

3. Accordingly, the petition is dismissed.
