1. The present application has been filed for review of order dated 18.1.2016 dismissing Writ Appeal No. 3 of 2016.
2. The Petitioner had appeared in person in the writ appeal and he appears in person in this review application also. We therefore permitted him to address us to his satisfaction. It is obvious that he is not aware of the reasons or grounds why he has filed the review application as he just read out the review application before us. Because the Petitioner was appearing in person, we permitted him to do so.
3. We do not find any error apparent on the face of record calling for review of the order dated 18.1.2016. The review application is not an appeal in disguise. The review application is dismissed.
