Order On Board

12/05/2016

This petition, as ill-drafted as it could be, in substance, seeks relief in the nature of demarcation of land.

According to the petitioner, despite request made before the revenue authorities, demarcation has not been done. Reference is made to an application purported under Section 127 (3) of the Land Revenue Code made to the Collector. No such document is on record.

Be that as it may, if the petitioner has moved an application for demarcation, the same should be done. Instead of filing this petition before this Court, the petitioner should have availed remedy by moving application before the Tahsildar or Sub-Divisional Officer, Revenue of the area.

With the liberty to move application before the Tahsildar and SDO, Revenue for early demarcation, this petition is finally disposed off.
