Order on Board

18-07-2016

1. In all these petitions, the petitioners have prayed for direction to the competent authority to decide petitioners' representations.

2. Learned counsel for the petitioners submits that when similar cases of identically situated Head Masters came up for consideration before this Court in W.P.(S) No. 1184 of 2016, the petition was disposed off as State counsel stated before the Court that the petitioners' representations shall be considered and decided by the competent authority. He submits that these petitions may also be disposed off on similar terms.
3. Learned State counsel submits that though earlier the submission was made by the State, but at this stage, it has been realised that petitioners' claim is of regular annual increment, though they have been continued in services by virtue of interim order passed in cases pending before this Court.
4. Learned State counsel could not dispute that petitioners, who had come before this Court in W.P.(S) No. 1184 of 2016 are identically situated, as the petitions herein and their cases were also pending before this Court and they have continued in service by virtue of interim order, therefore, similar petitions, similar order is required to be passed.
5. Accordingly, in this case, it is directed that respondents shall consider the petitioners' claim within a period of three months from today on similar consideration as the case of petitioners in W.P.(S) No. 1184 of 2016. It is made clear that this Court has not commented upon the merits of the case.
6. With the aforesaid observation, these petitions stand disposed off.
