Order On Board

08/12/2016

The transfer order is under challenge on the ground that though respondent no.5 has been transferred in place of the petitioner, the petitioner has not been transferred anywhere.

Interim order was passed by this Court in favour of the petitioner and notices were issued to respondents.

State has filed its return but there is no material on record to show that while transferring respondent No.5 in place of the petitioner, the petitioner was also transferred to some other place. Therefore, the impugned order shall not be given effect to as against the petitioner and he shall be allowed to continue at the present place.

It would be open for the respondent authorities to post respondent No.5 at any other place. Moreover, this order should not be treated as protection to the petitioner against transfer for all times to come.

The petition is accordingly finally disposed off.
