Heard.

1. The transfer order has been challenged on the ground that the petitioner's wife is suffering from illness and she is bed-hidden. It is also submitted that the place where the petitioner has been transferred is about 200 km. far away from the present place of posting, if the petitioner would be transferred, he and his family will suffer grave hardship. He further submits that there is already a recommendation made by the Principal for cancellation of transfer order. He also submits that there is also a recommendation of sitting Minister for amendment of the transfer order.

2. It is found that the petitioner has already approached the Collector before coming to this Court with some personal difficulty, it can be best examined and decided by the transferring authority and not by the writ Court. It is also found that some recommendations have been made by the Principal and the sitting Minister before the Collector. Therefore, it is left for the respondents to examine the petitioner's request for modification / cancellation of transfer order on the recommendation of the sitting Minister.
3. The petition is accordingly disposed off.
