Order On Board

19/10/2016

1. This Court on 4-2-2015 had directed to decide the representation of the petitioner. It appears that the petitioner's representation is pending and again, second writ petition has been filed which is not maintainable. If the earlier order dated 4-2-2015 passed in favour of the petitioner in W.P.(S) No.1469/2005 has not been complied with, the petitioner may take recourse to the proceeding available under the law, but certainly cannot maintain this writ petition.
2. Accordingly, this writ petition is dismissed *in limine*. However, this order will not bar the petitioner to invoke the remedy available under the law.
