DATED : 24th AUGUST, 2016

ORDER :

. Heard. Perused our order dated 31st March, 2016.

2. In our order, we used our discretion not to interfere with the contract work which was already allotted to respondent. The main reason why we ignored the submission at the bar was that substantial period was already over and relatively short period remained.

3. In such a situation, no case is made out for review. Application stands dismissed.
