DATED : 21st JULY, 2016

PER COURT :-

Learned counsel appearing for the petitioners submits that though the copies of all documents were submitted before the Education Officer, the Education Officer observed in the impugned communication that the said copies are not submitted.

2. In our opinion, such disputed questions of fact cannot be gone into in the Writ Petition. The petitioners, if advised, can approach the Education Officer and comply with the deficiencies pointed out by him or approach the higher authorities of the Education Officer for redressal of grievance raised in this petition.

3. Writ Petition stands disposed of.
