CORAM : N.W. SAMBRE, J.

DATED : 4th MAY, 2016

ORDER :

1. The present revision is against the order of acquittal recorded by the learned Ad-hoc Additional Sessions Judge, Aurangabad for the offences punishable under Sections 147, 307, 323, 504 read with 149 of the Indian Penal Code.

2. Having scanned record as brought to my notice by Advocate Mr. Totla, it is required to be noted that the present proceedings are questioning the acquittal ordered by the Court below in crime arising out of the boundary dispute in relation to the immovable properties. It is also noted that there are some political differences between the parties as is reflected from the evidence of witness Aziz Khan. The injury sustained

by the complainant was also not proved. As the alleged claim of assault was not proved, and having regard to the allegations as noticed, no interference is called for. Criminal Revisions Applications is disposed of.
