**CORAM : A.V.NIRGUDE &

DATED : 10.08.2016

P.C. :-

1. The petitioner as well as the respondent complainant are present before the this Court. They are husband and wife. Earlier there was a matrimonial dispute pending between them. The offence punishable under Section 66 (a) & (c) of the Information Technology Act was alleged by the complainant/wife. It was her complaint that password of her facebook account was unauthorizedly changed which caused loss to her.

2. During investigation it was found that none else but her husband-applicant did this mischief. But now parties have settled the dispute. They are mutually

separating and seeking divorce by mutual consent. They also want to put an end to this litigation.

3. We are, therefore, inclined to allow this application. Hence the criminal application is allowed in terms of prayer clause (A) and disposed of accordingly.
