Sr.No. 22.Criminal Application No. 6134 of 2015.

When advocate on record is called out to argue the matter, he submits that already appellant has withdrawn brief from him. Since this application is pending for more than one year, with the assistance of learned APP, we have considered the case of the applicant for bail. Original record is also available for perusal. There are eye witnesses, who have witnessed the incident. The account of witnesses is corroborated by medical and other evidence brought on record. By no stretch of imagination, we do not find it is a fit case to grant bail. In that we shall elaborate in the appeal filed by the applicant. Suffice to say that findings recorded by the trial court *prima facie* appears to be in consonance with evidence brought on record. For the reasons stated in the application for bail, the same stands rejected.

1. Registry to sent back the original record to the Registry of Sessions

Court, at Vaijapur. Upon receiving said original record by the Registry of Sessions Court, at Vaijapur shall prepare the paper book and sent back it to this court along with original record as expeditiously as possible, however, within a period of four months from today.

2. Upon receiving paper book and original record and proceedings from the trial court, liberty to the appellant to mention the matter for hearing.
