CORAM : **N. W. SAMBRE, J.**

DATE : **25TH FEBRUARY, 2016.**

PER COURT:

. As the case is already committed, charge is framed and trial has also commenced as against non-applicant No. 2, who is already released on bail, the bail granted to him is sought to be cancelled by the present applicant.

2. In view thereof, in my opinion, there is no need to go into the aspect of the cancellation of bail. The application has rendered infructuous and same stands disposed of.
