CORAM : N.W. SAMBRE, J.

DATE : 21st JANUARY, 2016

ORAL ORDER :

This is an application for cancellation of bail granted to non-applicant Nos. 2 and 3 in Crime No. 158/2015 for the offence punishable under Sections 302, 143, 147, 148, 149, 307, 324, 504 and 323 of the Indian Penal Code by Additional Sessions Judge, Beed vide order dated 01/12/2015.

2. Mr. N. L. Jadhav, learned Counsel for the applicant submits that, pursuant to the complaint, an offence in question came to be registered against non-applicants as they have participated in

the attack on his mother. According to him, since the mother has expired because of multiple injuries, non-applicants ought not to have been released on regular bail.

3. Perused the order granting regular bail and cause of death cited in the post mortem report. In view of the observations that death of mother of the complainant has caused because of pneumonia with septicemia, as is reflected in P. M. report, in my opinion, regular bail granted by the learned Sessions Judge does not call for any interference. As such, application fails, same stands rejected.
