CORAM : T.V. NALAWADE, J.
DATED : 20th December, 2016.

ORDER :

1. Learned counsel for respondents Shri. Kulkarni submits that some time needs to be given as there are petroleum products towards the site and they need to be removed. The concerned corporation can take appropriate steps in that regard and it is not the case where the stay of any kind is granted. So, such relief is refused.
