Mr. V. N. Sagare - AGP for Respondent
No. 5.

DATED :- FEBRUARY 18, 2016

This Petition was listed out of turn and for admission, on the "Supplementary Board", at the request of the Petitioner's Advocate Mr. Killedar.

2) Upon this listing, as requested and when the Petition was called out for admission today, it is stated that the Petitioner Shital Balaso Patil has taken away the papers from Mr. Killedar and therefore Mr. Killedar has no instructions to argue the case.

We do not countenance such state of affairs, inasmuch as the Petitioner was aware that a request unless made and granted the Petition would not be taken out of turn. Secondly, if the Petitioner was not giving any instructions, the appearance should have been withdrawn earlier. Now, after the Petition is listed at the request of the Petitioner, we have taken it out of turn, we do not keep such Petition pending. It is dismissed for want of prosecution.
