CORAM: N.M. JAMDAR, J.

DATED : 29 MARCH 2016

P.C.:

Learned counsel for the appellant submitted that the Appellant is desirous of making an application for regularization of structure. This submission clearly means that the Appellant is not contesting the conclusion reached by the Corporation that the structure in question is unauthorized. The Appellant makes an application for regularization within a period of two weeks from today annexing all the relevant documents, which the learned counsel for the Appellant states are ready and available with the Appellant.

2 In view of this position, the Appellant will not seek an extension of the above time period on the ground that necessary documents are not available. After such an application for regularization is made, the corporation will dispose of the same preferably within a period of four weeks from today on its own merits. Till the application is disposed of, the structure of the Appellant will not be demolished.

3 The appeal is disposed of accordingly.

4 In view of disposal of the appeal, the civil application does not survive and is disposed of.
