1. Heard the petitioner in person. There are number of questions of facts raised. Various applications are filed before various authorities. The petitioner, therefore, has alternate remedies to agitate the issue so raised concerning the Society and members of the management committee who are not made parties. In view of this, as there are various issues where

questions of facts are involved, by keeping all points open, we are dismissing the petition on all these grounds. However, liberty is granted to the petitioner to approach to appropriate authorities.
