DATED: 18th July 2016**

PC:-

1. Not on board. By consent, taken on board.

2. Given the backlog in this court, this is a overly ambitious Notice of Motion. It seeks that a Suit of 2012 be expedited. I am presently hearing Suits of 1997.
3. Issues have already been framed in this Suit. Affidavits of documents have also been filed.
4. List the Suit itself for marking the Plaintiffs' documents on 16th August 2016.
5. Leave to the Plaintiffs to file a further Affidavit of Documents and further Affidavit in lieu of examination in chief.
6. The Notice of Motion is disposed of in these terms with no order as to costs.
