

IN THE HIGH COURT OF JUDICATURE AT BOMBAY
ORDINARY ORIGINAL CIVIL JURISDICTION
WRIT PETITION NO.1424 OF 2005

Ms Devyani Kulkarni i/b Mihir Desai for the
Petitioner
Mr.L.T.Satalkar, AGP for the respondent Nos.1,3 and
5

ORAL JUDGMENT: (PER A.S.OKA, J.)

3 As the public road has been constructed which

is already being used by the members of the public for considerably long time, it will not be appropriate at this stage to grant prayers made in this PIL and direct restoration of status quo ante. Restoration of status-quo ante will be against the public interest. Moreover, the impugned order itself records that the Mumbai University has been compensated by allotting a privately owned land.

4 Therefore, it is not necessary to entertain this petition. The same is disposed of. Rule is discharged with no order as to costs.
